## Double-T Farm CSA

CSA stands for Community Supported Agriculture. Members of a CSA buy a seasonal share, providing them with weekly deliveries of produce. This enables the farmer to sell high quality products at retail prices, earning a fair wage independent of government subsidies.

By joining, you guarantee the farmer a willing, loyal, and appreciative market, and the farmer can concentrate all their efforts on growing the best food possible.

### Why Join?

We believe in quality rather than quantity. We have a diverse mix of crops, all chosen for quality, flavor, and nutritional content.

Our seasonal produce is just that—fruits and vegetables grown in our region during the local growing season. You receive freshly harvested organically grown produce that is higher in nutritional quality than conventional store products.

Finally, you benefit by supporting a local farm, and make farming a viable business in our area.

### How does it work?

Our typical season runs for 20-25 weeks, April through November. Produce can be picked up on Saturday mornings from 8 am – 12 noon one of our locations. Please let us know your preference.

The pickup area will be clearly marked, and boxes labeled as half or full. Tom and/or Theresa will be available on pickup days to assist you. If not, please help yourself to your share, and remember to leave your empty box from the previous week.

### MEMBERSHIP

#### Full Share – \$550

Families of 4-5 or 2 sets of couples with no children

#### Half Share – \$350

Couples with up to one small child
